Meet the Newspaper Club

Firstly, we would like to introduce ourselves. We are the St Wilfrid's newspaper editors. As the year goes on, different people from Year 6 will be telling you all the exciting things that happen at school. This newspaper may also include a fun page, an interview with a teacher and a sneak peak into one of our classes. If there is anything important or exciting that happens in your class, make sure you come and tell one of us and we will include it in the next newspaper.

By Rosie, Year 6

Welcome back to PCSOs

With the new school year, Royce Road is getting busier and busier. Now we welcome the new PCSOs to make sure that Royce Road is safe in terms of crossings and parking. Royce Road can be busy and it is the PCSOs job to make sure cars are driving slowly and parking in the correct places.

The PCSOs can issue fake tickets to adults who disobey the parking laws, so watch out! Thankfully, the Y5 PCSOs come to school early to ensure our safety. Well done PCSOs, keep it up!

By Leah, Year 6

Why do birds fly south for Autumn?
Because it's too far to walk!

Clothing Sale

Thank you to everyone who donated and came to our clothing sale this month. With bills getting higher and our increased awareness of how important it is to reuse and recycle, this is a great way for our families to save money and help the environment, all at the same time.

The clothing sale was very successful this month and we plan to have another clothing sale every month so keep your eye out for a message when it's next on. We will have lots of uniforms, some girls and boys clothes, coats and shoes.

Please let the office know if you have any questions or want to donate clothes.

By Humaira, Year 6

Debate Mate

Last year, as you know, St Wilfrid's had a very successful debating team that made it into the Houses of Parliament and came second in the country!! We are very proud of our debaters and hopefully we can keep it up this year. Debate Mate will be starting again on November 7th. Miss Smith and Mrs Shaw are running this club again and are looking for some good debaters to put on this year's team. Watch this space to find out who makes the team and how we get on this year!

By Mariana, Year 6

Welcome to our new families

As you may already know, the Year 6's (of last year) have moved on to high school, making room for the new Nursery children! The Nursery children are still getting used to our school rules and routines (such as walking in the corridor to lunch and even getting used to our toilets). Even though it is really hard to start a new school, they have got to know each other now and to my delight some have become good friends with each other already. I popped into Nursery to see how they were doing and got to talk to some of the children. They have already done lots of lessons like dance, music, R.E, maths and phonics.

A big welcome to all the Nursery children and our new Reception children too! We are so happy to have you join our St Wilfrid's family!

By Amarei, Year 6

Interview a Teacher!

Miss Islam

What class do you teach? Year 1
 What is it like working here? It's very enjoyable
 What is your favourite subject? Maths
 What is your favourite ice-cream? Honey-comb
 What is your favourite game? Fire Boy + Water Girl
 What is your favourite season? Spring
 What would you be if you weren't a teacher? I would be a children's nurse
 What is your favourite food? Spicy red pasta

By Leea, Year 6

Pop Project

On the 27th September, Pop Project came back to our school! They did all sorts of things and I can't wait to tell you all about it!

They delivered an assembly about wellbeing. They talked about Body, Mind and Spirit. Body was about getting ourselves healthy and making sure we exercise. Spirit was about being kind to ourselves and others. We did tai-chi and got our bodies relaxed. We let the stress go out and the peace come in! Mind was about clearing our thoughts and looking after our mental health. We talked about different ways to be creative and joined in with lots of songs and dance. It was so much fun!

By Moudou-Lamin, Year 6

School Council

It's a new year, which means we have new school councillors!

Pupils from each year group prepared a fantastic speech. Two children were then voted for by their class, earning them this wonderful job. These councillors are willing to help others with any problems they may have.

So, the councillors representing their classes are:

Reception: Esther and Larsson

Year 1: Demilade and Dagmawi

Year 2: Helena and Noah

Year 3: Sariyah and Ethan

Year 4: Ayo and Millie

Year 5: Wehad and Raphael

Year 6: Saabir and Maxwell

Please speak to these children if you need any help or have any suggestions for the school.

By Kaylen, Year 6

What did the tree say to Autumn?

Leaf me alone!

Eco-Code

As part of our school mission statement, as you know, our goal is to Care For Our Common Home. The Eco-Warriors recently delivered an assembly to introduce our new Eco-Code (they even gave us a great rap to remember it!). You can see the Eco-Code posted all around the school to remind you.

The Eco-Code is to help guide us on our actions to look after our environment and God's world. The Eco-Warriors

and all the teachers would love to hear about any actions you have carried out at home over the holidays that you think link to Caring for Our Common Home.

We also now have a new, weekly Social Action Award. Well done to our first winners; the Eco-Warriors. This is well deserved for their continued dedication to their role. We can't wait to see who else answers the call to action this year!

By Leshawn, Year 6

James the Probation Officer

This term, Year 6 had a very special visitor called James. James has a very important job and it is associated with the police. He taught the Year 6 class many lessons based on what to do and how to be careful in life.

James has a campaign called G.A.N.G.S, which stands for Get Away N Get Safe. He taught us to have respect for others and how to keep ourselves safe outside of school.

Year 6 felt James was a very special visitor and we appreciated him very much.
